DETAILED ACTION

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicant has cancelled the rejected claims. Therefore, only the remaining claims (16-20) which were indicated as allowable in the previous office remain in the application.

Specifically, claim 16 requires an apparatus for sizing and separating particles which includes at least two screens within a screen box, a spreader tray for each screen wherein each spreader tray is disposed above its respective screen and a pan for each tray wherein the pan is disposed below its respective screen, and further wherein the spreader box has at least two inlet ports in the opposing sides of the box for each spreader tray. These limitations in combination with the other limitations of claim 16 define over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Allowable Subject Matter

Claims 16-20 are allowed.
